WELCOME LETTER

HO CHI MINH CITY WELDING ENGINEERING ASSOCIATION

On behalf of the Ho Chi Minh City Welding Engineering Association, I warmly welcome you to the 14th International Exhibition on Metalworking & Welding Technology in Vietnam - METAL&WELD 2024 and the 11th Vietnam International Metal & Metallurgy Expo - VIMM 2024 and the 16th International Steel and Metal Engineering Exhibition in Vietnam - ISME VIETNAM 2024. Organized concurrently with the International Exhibition on Machinery Equipment, Technology and Products in HCMC - Vinamac Expo 2024, the event opens from November 21th - 23th, 2024 at Saigon Exhibition & Convention Center - SECC, 799 Nguyen Van Linh, District 7, Ho Chi Minh City.

Thanks to the rapid development of mechanical industry, local-made manufacturing equipment is gradually replacing foreign products, asserting the position of domestic manufacturing industries for welding and metal processing machineries. Vietnamese enterprises have been continuous in their effort for global integration. For many years, METAL & WELD, ISME and VIMM 2024 have become a professional forum and an opportunity for Vietnamese and foreign enterprises to showcase their latest products, technologies with high practicality. With this combination, I believe the Vietnamese enterprises will have more chances to network, cooperate and grow together with businesses from various countries.

Wishing great success to METAL & WELD, ISME and VIMM, and overall Vinamac Expo 2024!
